

DISCIPLESHIP GROUP AGREEMENT

We agree to do the following together...

1. It is my desire to be a part of this discipleship group to grow in my understanding of Jesus and His ways (even if I am not a Christian and do not plan to become one).

2. To help us fully commit to this process of learning and growing together, we will seek to follow the following set rhythms each month.

We will seek the Lord together _____ times a month (at least 3-4). We will commit to doing this during the following day and time: _____

We will rest, eat, hang out, or spend time together _____ times a _____. We will commit to doing this during the following day(s) and time(s): _____.

3. I commit to attending every meeting/gathering, to be there on time, and when applicable, have any preparatory work done beforehand. No exceptions, unless an emergency arises. I understand that I will most likely have to say "no" to other important things in order to meet this commitment, and I am willing to do so.

4. I understand that the leader and my group will make a significant investment in me. Because it would be unfair and disrespectful to them to do otherwise, I commit to the next _____ months and will stay in this group and to finish well.

5. I understand that this process is based upon Scripture and Jesus Christ. I will seek to be open about myself and my relationship with God and to commit to learn and grow in my understanding.

6. I commit to total confidentiality. What is said during these times stays within the group. I will not share with others what is said confidentially in the group without permission (even with my spouse, if applicable).

7. I further commit that, I myself will start a group like this one to help others become disciples of Jesus with me.
